

Click on Browse to go back to the list of marksheets

Click calculate if there are any formulae in the marksheet

Click on Zoom to make the marksheet fit into one window, and click close to go back to the normal view

Click on Summary for Summary Rows at the bottom

Use the group filter to apply filters to the group, such as gender, class etc

Right click in the column heading to sort rows ascending or descending

Right click in Students to get extra contextual information

Right click in the column heading to show the grade distribution

The screenshot shows the AM7 Marksheet software interface. At the top, there is a menu bar with options like Save, Undo, Print, Export, Calculate, Summary, and Narrow. Below the menu bar, there are input fields for Result Date and Group Membership Date, both set to 03/07/2008. A Group Filter field is also present. The main area displays a table of student marksheets with columns for various assessment stages and scores. A context menu is open over the 'Students' column, listing options like 'Show Admission No', 'Show NC year', 'Show Registration Group', etc. The data table includes columns for 'KS3 Maths tier', 'MATHS TEST SUB LEVEL KS2 Key Stage 2 Validated Result', 'MA TEST SUB LEVEL KS3 Key Stage 3 Validated Result', 'IMS Ma progress', 'FFT B KS3 Maths', 'IMS Ma FFTB difference', 'FFT D KS3 Maths', 'IMS Ma FFTD difference', 'Maths School Set Target', and 'IMS Ma School difference'. The table contains rows for individual students and a 'Total' row at the bottom.

Students	KS3 Maths tier	MATHS TEST SUB LEVEL KS2 Key Stage 2 Validated Result	MA TEST SUB LEVEL KS3 Key Stage 3 Validated Result	IMS Ma progress	FFT B KS3 Maths	IMS Ma FFTB difference	FFT D KS3 Maths	IMS Ma FFTD difference	Maths School Set Target	IMS Ma School difference
