

<b>Course Code: INT002</b>		<b>ECM Priority:</b> Enjoy & Achieve
<b>International Learning Best Practice Forum</b>		
<b>Learning Objectives:</b> (with reference to relevant professional / occupational standards if appropriate)		
<ul style="list-style-type: none"> <li>• Empowering school leadership to identify international learning as a 'driving force' with curriculum design</li> <li>• Enhancing the status of International Learning, its impact on school improvement and professional development at all levels</li> <li>• Sharing and networking good practice in South Gloucestershire</li> </ul>		
<b>Course description</b>		
<p>Where does and how can International Learning fit into a broad and balanced curriculum? How International Learning is integrated into the SEF and is identified by OFSTED. Funding streams and international learning opportunities and networks, will be explored. The use of portal and leaders of learning website will profile the groups work and learning.</p>		
<b>Meeting 1:</b>		
<p>Strengthening the brand – linking International Leadership and learning – building networks. Making sense of data – how do we measure and celebrate the impact of International Learning?</p>		
<b>Meeting 2 :</b>		
<p>Building leadership capacity in International Learning – setting a whole school vision in international learning – accessing funding streams, using technology to build partnerships.</p>		
<b>Meeting 3:</b>		
<p>Identification of the Best Practice in International Learning – how the global dimension is incorporated in the schools development plan. How international learning supports professional development and addresses the professional standards.</p>
