<b>Course Title:</b> Deputy Headteacher and Assistant Headteacher Induction			
<b>Learning Objectives:</b> <ul style="list-style-type: none"> <li>• Understand the mechanisms available to support and develop you in your new strategic role</li> <li>• Gain understanding of the role and function of the local authority</li> </ul>			
<b>Course description</b>  By meeting with colleagues new to post in other schools, and officers in the Local Authority, we want you to feel confident in the knowledge that the Local Authority will help to support your development (in partnership with the school) in senior leadership. We will explore your new role and some change management processes to support the School Improvement cycle. Your role in the identification, support and development of future leaders will be considered. Your own professional development is important to us and we will help you identify some formal and informal mechanisms to support you in your role, including coaching and mentoring.
